Ultimate Surfing Adventures takes you on a thrilling journey around the world's best surf spots

Ride some of the world's longest waves in South America and England, surf on rivers in Germany, discover an unnamed break in the Pacific and dodge the sharks on Reunion Island!

Ultimate Surfing Adventures is a new book that puts you at the heart of the action while inspirational descriptions tell you why each break is so special. This is a sumptuous coffee-table book that's perfect for planning your next 'surfari', or that allows you to indulge in a little armchair surfing of some selected breaks that only the most adventurous will visit.

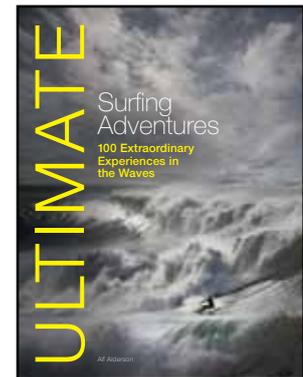

As well as classic waves around the Pacific there is a wealth of more unusual surf spots from Antarctica to Nova Scotia. Each corner of the globe is covered – expect to read about some waves you have ridden and some you never knew existed.
