Largest ever line up from Prestige at Palma Boat Show gets even bigger

Prestige Motor Yachts has announced that the Prestige 750 will also be at Palma Boat Show (27th April – 1st May 2018) making its largest ever line-up for the show even bigger. Ancasta International Boat Sales, as dealer for Mallorca in the Balearics, will be presenting the Prestige 460s, 520F, 680, 680s and now the flagship 750 at the show.

The Prestige 750 combines French savoir-faire with cutting-edge technology and Italian aesthetics. The 750 boasts multiple on-deck living spaces from the vast cockpit to the large terrace on the flybridge. Private access to the forward owner's cabin creates a quiet, intimate haven on board.

Also at the show will be the Prestige 680s, which combines the handling of a Coupé with the space of a Flybridge giving the best of both worlds, and the popular and versatile Prestige 680. Her interior brings light and space while maintaining privacy, with a three or four cabin (plus crew cabin) layout.

The 460s is a sporty, agile Coupé. Designed with a living space that can be opened up to bring the outside in, it has a large sunroof and sliding glass door aft. The Prestige 520 boasts an XXL Flybridge, unique on a 52ft motor yacht.

Palma Boat Show offers visitors a great opportunity to experience and compare this extensive line-up from Prestige, with experts from Ancasta Palma on hand to answer any questions.

Ancasta International Boat Sales is a dealer for Prestige Motor Yachts for Mallorca in the Balearics. Prestige sales and servicing is available in the region through Ancasta's Palma de Mallorca office as well as the new Cala d'Or office that will be opening in late Spring 2018.
