## **Ancasta announces world launch of Beneteau Swift Trawler 47 at TheYachtMarket.com Southampton Boat Show**

Ancasta will be hosting the world launch of the Beneteau Swift Trawler 47 at TheYachtMarket.com Southampton Boat Show, which takes place 14<sup>th</sup>-23<sup>rd</sup> September 2018. The Show also sees the UK debut of the Beneteau Gran Turismo 50 Sportfly.

Ancasta, who was recently awarded the title of Prestige Luxury Motor Yachts Dealer of the Year 2018, is also presenting an exciting range from Prestige. This includes the Prestige 630F, which will debut a stunning new high-gloss interior at the Show, and new 'S' line version of the Prestige 460.

The Swift Trawler 47 is the latest in the new generation of Swift Trawlers from Beneteau. It is designed for travelling with the family. This is confirmed by the spacious interiors, large flybridge and open deck plan, as well as large swim platform. Wide walkways and hand rails ensure those on board feel safe moving around. Already easy to handle with twin engines, the Swift Trawler 47 can be fitted with joysticks to make manoeuvring in the harbour even easier.

The Beneteau Gran Turismo 50 Sportfly, based on Beneteau's flagship GT cruiser, features the latest technology including the on-board Ship Control system. Powered by Volvo IPS600 on an AirStep® II planing hull, driving sensations are second to none with the bonus of economy and manoeuvrability of IPS. The tender garage, designed to fit a Williams Minijet, is a feature not often seen on 50ft boats. The Beneteau Gran Turismo 50 Sportfly is available in both two or three cabin versions.

The S-line version of the popular Prestige 460 will be available to view at the Show. A faster, more agile, Coupé version, the Prestige 460S has a huge aft sliding glass door that can open up the living space to the outside which, along with the large opening sunroof, enhances the feeling of space on board.

UK visitors to the Show will be among the first to see the new high-gloss interior of the Prestige 630F. The new interior fits perfectly with the ultra modern styling of this motor yacht and adds to its luxurious feel. The huge flybridge is a superb area in which to relax and entertain; experience it at the Show.

The magnificent Lagoon 630 that will also be in Southampton for the first time. This is the ultimate in hospitality and viewing is a must if visiting the show. The sheer scale, efficiency and quality of this motor yacht must be considered if you are looking to buy a motor yacht capable of long distance cruising in comfort.
