Eight new boat sales units installed at MDL Marinas' Five Gold Anchors Hamble Point Marina

Underpinning Hamble Point Marina's traditional role as the number one UK destination for yacht and power brokerage, MDL Marinas has installed eight new boat sales units to let at the marina's entrance.

The purpose-built units range in size from 69 sqm / 745 sq ft to 102 sqm / 1,101 sq ft, and have been built to a high specification ready for immediate occupation, including air conditioning and network cabling, kitchenette, self-contained WC and separate manager's office. Behind the units a raised terrace allows customers to view the boats, displayed on a purpose build hardstanding area.

A number of units have already been snapped-up however MDL welcomes expressions of interest from boat brands and brokers looking to expand their brokerage networks.

"Hamble Point Marina has always been the go-to place to buy and sell new or second-hand boats," says Richard Broadribb, MDL's director of commercial property. "This marina's well known for its amazing range of boats to buy, year-round. By adding eight purpose-built sales units for yacht brokers to lease we've really committed to the future of the marina as a unique sales destination."

Also, on the 230-berth marina are extensive shore-side facilities including a well-stocked chandlery, bar and restaurant. There is also a Dry Stack system with 137 berths for motorboats up to 10 metres. Over 50 tenants provide boat-owners with a wide range of marine services on this bustling site.

For further details on the sales units visit www.mdlmarinas.co.uk or contact Simon Welch Estates Manager on 0845 6001813 or simon.welch@mdlmarinas.co.uk
