## **Superyacht Tenders and Toys reveal wide product range at Monaco Yacht Show (stand QA7).**

After recently becoming a dealer for the lift eFoils, Superyacht Tenders and Toys (SYTT) is delighted to showcase these unique products at Monaco Yacht Show. The foiling electric surfboard is already proving very popular with clients as they're the world's premiere performance hydrofoils for surf and wake and the ultimate electric hydrofoil experience over any body of water – no wind, waves or towing required.

Also on the stand is a Veitis. Aiming to redefine motorcycling by completely reimagining, redesigning and re-engineering what a motorcycle should be for the 21st Century, this one's electric in terms of looks and power. Perfect for coastal cruises.

In the SYTT favourites mix is Seabobs, providing unlimited riding pleasure for leisurely gliding or sporty driving, or safe diving, as well as Nautiques. The stand boasts two Nautique Watersports Tenders available for immediate purchase.

More information on all products being exhibited at Monaco Yacht Show is available via [SuperyachtTendersandtoys.com](http://SuperyachtTendersandtoys.com) or come and see them on stand QA7 where you can also meet the team.
