

**Superyacht Tenders and Toys and Nautique team up at
Monaco Yacht Show 2018 (stand QA7)**

Superyacht Tenders and Toys (SYTT) can't wait for Monaco Yacht Show this week. Nobody knows watersports better than the people who live it and this year SYTT's stand is even bigger and better than ever.

Packed with all you would need for the best fun on and off the water, the stand boasts two Nautique Watersports Tenders available for immediate purchase.

Pro-team rider and legend, Matt Crowhurst, will be on site to get you pumped with some coaching tips. Complementing this is a hand-picked selection of the hottest ski and wakesurf gear, Seabobs and a wakeboard ramp to really turn up the volume.

Off the water gear focuses on custom carbon furniture, cooler box speakers and a Veitis electric motorbike to shine a new light on those coastal cruises ashore.

SYTT is proud to have partnered with Nautique for these high performance watersports tenders, assisting with fitting and customisations of these on Superyachts. Both companies share many values such as exceptionally high-quality products, delivering unprecedented customer service and being passionate about performance on the water.

Talk to SYTT about your watersports needs. They can help you every step of the way, from purchasing and customising the build of your Nautique, delivering it anywhere in the world, to fitting it with towlines. SYTT's got you covered!

Come and see SYTT in Monaco, on stand QA7, right in the heart of the Tenders and Toys area.
